

The Food Bank RGV vision is, "To end hunger and support a healthy quality of life in the Rio Grande Valley." in order to make this vision a reality we commit to serving everyone in our community.

We are collaborating and building our community together through partnerships.

We are providing resources to our neighbors and will continue to address the inequities in our underserved areas and in our rural communities.

We are trusted stewards of our donations and resources, assuring all have equal access to services.

We listen with respect and empathy by treating people with kindness and dignity.
